WORK EXPERIENCE

TEDˣKyiv

November 2020 — now
Designer

Create visuals for communications in social media

⬡ Svitsoft

July 2020 — now
Graphic designer at a digital agency

• Participate in the development of a strategy for the promotion and development of the client's brand

• Develop designs accordingly to specific media & content plan

• Responsible for the full support of the entire visual part of the brand promotion

• Design advertising materials for Google Ads and social media

• Work closely with PPC team

Accomplishment: designed flexible template for the business-class real estate client that is now used as the main visual style of communication in Facebook account

SURENZH

2019 — 2020
Visual designer consultant

• Worked directly with clients. For example, designed logotype and social media visuals for the diving club «Atlantyda»

• Was involved in numerous design open calls that resulted in industry experts recognition, including poster campaign which helps to raise funds for Alpha Boys' School in Jamaica
